DO I NEED A PERMIT?

In many cases, YES! Some projects that require permits include but are not limited to:

- Decks/Patio Covers
- Accessory Structures (storage sheds in excess of 120 sf, gazebos, carports)
- Remodels/Additions (including garages & re-roofs)
- Swimming Pools/Spas
- Irrigation Systems
- Water Heaters & Water Softeners
- HVAC Change Outs
- Any Structural Changes

Some projects that do not requires permits:

- House Painting
- Carpets
- New Cabinets and Countertops
- Fences (please see City Ordinance for fencing guidelines)

If you are still uncertain whether your project will require a permit, please contact 512-715-3206 to verify. This could help save time & money by avoiding potential non-compliance with various City Ordinances.

Please visit the City of Burnet website for more information on City of Burnet Ordinances:
