In furtherance, and not in limitation, of the foregoing, any failure of the ACC to act upon a request for a variance will not be deemed a consent to such variance, and the ACC's written approval of all requests for variances will be expressly required. Upon conclusion of the Development Period, if the ACC fails to either approve or reject Plans and Specifications within ninety (90) days following the date of submission of such Plans and Specifications, approval of such Plans by the ACC will be presumed.
- (f) **Variances.** The ACC may grant variances from compliance with any of the provisions of the Design Guidelines, if any, or this Declaration, when, in the opinion of the ACC, in its sole and absolute discretion, such variance is justified. that failure to record a variance will not affect the validity thereof or give rise to any claim or cause of action against the ACC, including the Declarant or its designee, the Association, or the Board. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or the Design Guidelines, if any, will be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance will not operate to waive or amend any of the terms and provisions of this Declaration or the Design Guidelines, if any, for any purpose except as to the particular Lot.

- (g) **Duration of Approval.** The Approval by the ACC of any Plans, and any variances granted by the ACC, will be valid for a period of three hundred and sixty-five (365) days only. Such Approval shall expire if construction in accordance with such Plans or variance is not commenced within such time and diligently prosecuted to completion within either:
 - (i) one year after commencement of construction; or
 - (ii) such other period thereafter as determined by the ACC, in its sole and absolute discretion.

- (h) **No Waiver of Future Approvals.** The approval of the ACC to any Plans or Specifications for any work done or proposed in connection with any matter requiring the approval or consent of the ACC will not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans and Specifications on any other matter, subsequently or additionally submitted for approval by the same or a different person, nor will such approval or consent be deemed to establish a precedent for future approvals by the ACC.
- (i) **Non Liability of Committee Members.** NEITHER DECLARANT, THE BOARD, THE ARCHITECTURAL CONTROL COMMITTEE, NOR ANY MEMBER OF SAID COMMITTEE WILL BE LIABLE TO ANY OWNER OR TO ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR INJURY ARISING OUT OF THE PERFORMANCE OF THE ARCHITECTURAL CONTROL COMMITTEE'S DUTIES UNDER THIS DECLARATION.

In no event shall any fence extend any closer to the street fronting the main structure than the front outermost corners of such structure.
